- [NexTag Home](#)
- [About](#)
- [SignIn](#)

NexTag.com is the leading comparison shopping site for products, financial services, travel, automobiles, real estate, education and more. At the core of NexTag.com is its proprietary Search And Match (SAM™) technology that enables shoppers to quickly compare prices and find the best deals on millions of products and services.

For thousands of merchants, service providers and individuals, NexTag is an extremely efficient sales channel with its highly qualified traffic and performance-based pricing. More than 11 million people per month use **NexTag.com** to research, compare, and buy products and services online.
