### **Before you place your order for Store Manager for Pinnacle Cart Additional License make sure that:**

- You do have a valid Full License for this software
- You purchased this Full License through [magneticone.com/store](http://magneticone.com/store). If not - make sure you are using the same email to purchase Store Manager for Pinnacle Cart Additional Licenses as you did to order Store Manager for Pinnacle Cart Full License.

If these two requirements are not met - your Store Manager for Pinnacle Cart Additional License will not work.

Store Manager for Pinnacle Cart Additional license includes **6 months** of Update Service

### **For MAC Users:**

Store Manager requires a PC Emulator to run on a MAC.

Please note that this does reduce the performance of the Store Manager software.

You can use the following compatible PC Emulators:

- [Parallels Desktop® for Mac](#)
- [VMware Fusion®](#)

if you want to run Windows and Mac applications at the same time, without rebooting, you can install Windows using VMware or Parallels software.

### **For Linux Users:**

For Linux users **we recommend** VirtualBox and Windows installation; you can get more information at: <http://www.virtualbox.org>

Please note that this does reduce the performance of the Store Manager software

Pinnaclecart, Pinnacle Cart Manager, Pinnacle Cart
