

x-Cart GeoIP Admin Access

Price: \$59.00

Product description:

Allows closing store easily from admin interface for some regions, based on GeoIP database. This is a great security measure to prevent potentially unreliable visitors' access to your store .

Requirements:

-

X-Cart 4.0, X-Cart 4.1 and future versions

- 5 minutes time

How to install:

1. Unpack all files and folders from directory "module" to x-cart store directory
2. Add to config.php few lines of code (actual code is inside package)
3. Execute install.sql

Detailed installation instructions will be sent along with product.

Instant product delivery

You will receive product in 1-2 minutes

X-cart GeoIP Admin Access, GeoIP Admin Access X-cart, GeoIP Admin Access

Need experts' help?
