

## x-Cart Google SiteMap

**Price: \$39.00**

### Product description:

This **X Cart Mod** Generates **Google Sitemap**, a **MUST HAVE** for search engine optimization for Google.

**Google Sitemap** is a must have for most stores - greatly helps to get better Search Engine Rankings and therefore increase sales of your X-Cart-based online store.

The protocol outlined by sitemaps.org is now widely adopted and compatible with Google as well as Yahoo! and Microsoft.

Google **strongly supports** the standards of sitemaps.org. That's why we started to provide the XML Sitemap instead of Google Sitemap.

Please note that you will receive the **XML Sitemap** after ordering Google Sitemap.

See [Success Stories](#) show people succeed by using Google Sitemaps.

- [Goal: Increase visibility of site](#)
- [Goal: Drive online traffic, clicks and sales](#)
- [Goal: Quickly index changing content](#)

"**Sitemaps** helps both new and existing sites improve their **Google presence** . It can help new sites with few links get more extensive crawls when Googlebot visits, and large sites with PageRank should see deeper crawls and speedier page discovery by showing Googlebot the layout of their site."

SEO Chat – April 5, 2006

---

"**Google Sitemaps** is a program that gives you the opportunity to present your site's pages to Google in XML or text. Google will then come by and spider the pages, getting you **indexed faster**

Internet Search Engine Database

[Google has launched an experiment designed to speed the flow of Web site information to the search giant's index.](#)
