

Zen Cart Yahoo Stores Data Feed

Price: \$39.00

Product description:

Zen Cart Yahoo Stores Data Feed is Zen Cart contribution which significantly eases your products' export into **Yahoo Search Marketing (Yahoo Product Submit)** pay-per-click engine.

You can also use this product for export to **Yahoo Product Submit**.

Now all users are welcome to use Yahoo! Shopping in a PriceGrabber.com search engine.

Yahoo announced partnership with PriceGrabber. It will give you the opportunity to list your products either on Yahoo! Shopping only or on both Yahoo! Shopping and PriceGrabber. It is important to note that your Yahoo! Product Submit account **will no longer be available** after March 11, 2010, so you must sign up for a PriceGrabber merchant account.

Your business will greatly benefit from [PriceGrabber Data Feed](#) due to all the recent Search Engine improvements.

Some of the important benefits of listing in Yahoo Search Marketing (Yahoo Product Submit) are:

- Secure shopping cart online credit card processing.
 - Advanced catalog and inventory management.
 - Intuitive sales reporting and business insight.
 - Easy access to participate in Yahoo! Shopping and Yahoo! Search Marketing.
 - Yahoo! Search Marketing has been an industry leader for more than 6 years.
 - Yahoo enables thousands of businesses to sell their products and services online.
 - Yahoo! monitors their systems 24 hours a day, 365 days a year.
 - Yahoo's scalable, flexible system handles peak holiday traffic, and millions of dollars in sales volume.
-

- No per item fees!
- Create and manage coupons and gift certificates.
- Create valuable sales incentives such as percentage discounts, credits or even free shipping.

Yahoo Product Submit is a service that lets you promote your products in Yahoo! Shopping and in highly relevant areas across Yahoo! and the Web.
