

## osCommerce ShareASale Data Feed

**Price: \$29.00**

### Product description:

**osCommerce ShareASale Data Feed** is osCommerce contribution which assures the easiest export of your products into **Shareasale.com** - one of the best **affiliate marketing network** services.

- [How does it work?](#)
- [Learn more about Shareasale](#)
- [Merchant Solutions](#)

With a program managed by **Shareasale.com**, you enable the network of highly motivated sales experts to promote your products to all of their visitors - through websites, email newsletters, and loyal customer bases. You can choose to setup your program to pay on a percentage of a sale (pay-per-sale), a pay-per-lead basis (PPL or CPA), or a pay-per-click

You will be able to upload new file at any time from your Control panel with one mouse click!

*This feed is available for sale only in [osCommerce Affiliate Feeds Pack](#)*
